

Security Alarm Permit Application

Kemah Police Department 1401 SH 146 Kemah TX 77565

PHONE (281) 334-5414 FAX (281) 334-4873

Please type or print clearly. All sections must be completed. Incomplete applications may be returned.

Permits expire each January 1st and are not pro-rated.

TYPE OF PERMIT REQUESTED

- RESIDENTIAL ALARM PERMIT** - \$2.00 per year. Police respond to all alarm calls with no charge unless there are more than 5 false calls at any one location. Six or more false calls at one location are billed to you at a rate of \$35 each. Kemah City Ordinance 10-95 mandates a fine of \$500 for each alarm incident to non-permitted locations.
- BUSINESS ALARM PERMIT** - \$50 per year single story building under 2000 sq/ft. \$75 per year single or multi-floor building over 2000 sq/ft. Police respond to all alarm calls with no charge unless there are 6 or more false calls at any one location. Six or more false calls at one location are billed to you at a rate of \$35 each. Kemah City Ordinance 10-95 mandates a fine of \$500 for each alarm incident to non-permitted locations.
- FIRE SYSTEM ALARM PERMIT** - Same as business.

ALARM SYSTEM INFORMATION

Choose either silent or audible

SILENT ALARM Police are called to your home or business by a "central station" alarm service that monitors your alarm by telephone. No bell or siren sounds at the alarm site.

AUDIBLE ALARM A bell or siren sounds when the alarm is activated. The system may or may not automatically notify a "central station" monitoring service by phone.

RESIDENTIAL ALARM Residential alarms can only ring for an actual or attempted break-in or take-over (ambush). You cannot install a robbery alarm unless you have a business license for your residence. You must dial 9-1-1 to summon the police in all other cases - Use of "Panic" or "Distress" alarms is discouraged.

You may be charged for excessive false alarms!

False alarms prevent police from attending to real emergencies and waste valuable police resources as well as erode the effectiveness of alarm systems. Resolving and preventing false alarms is a joint responsibility of the alarm user and the alarm company. Identify the cause of every false alarm and contact your alarm company for alarm system maintenance and (or) additional training in how to properly avoid future problems.
